

## Our Philosophy

- ❖ Brighton Primary School and Centre for Deaf Education OSHC aims to provide quality recreational care for children of primary school age.
- ❖ We provide a safe, comfortable and homely environment where all children are valued equally.
- ❖ We believe that our centre provides a range of experiences for children and foster this by enabling children to make informed choices as to the activities they choose to fill their leisure time.
- ❖ We aim to involve children in the decision making about their centre and encourage their participation in planning the program and establishing centre rules outlining acceptable behaviour.
- ❖ We take a genuine interest in the welfare and concerns of children and parents who are involved with our centre and we aim at all times to promote a healthy self-image and social responsibility in children.
- ❖ Parents are actively encouraged to participate in the decision making and planning processes which affect their children.
- ❖ Our staff are friendly, caring and interested in the children as individuals and happy to work with and support parents.
