Signing your child in and out.

An approved person must sign in children on arrival and departure using our electronic attendance system. The family assistance office who provides the childcare subsidy requires that all attendances be properly recorded in order to validate Child Care Assessment Claims. It is also a safety requirement that all children be signed in and out of OSHC so staff can accurately account for all children in the event of an emergency.

Guideline to Nut and Other Allergies:

- Staff encourage children to be aware of the no nut policy and encourage them to be pro-active in not bringing nut products when attending OSHC.
- On excursions, discussions are held with venues regarding food that can be of a potential risk. (Children will be guided in purchasing food respectfully and ensure any food that is purchased follows the allergies guidelines).
- Children will be encouraged to let us know if they have a nut product in their lunch box.

We do have children with serious allergies to certain foods so in line with the school's policy please pack your child's lunch boxes thoughtfully.
