BOOKING INFORMATION

Bookings will open on Thursday, 12th of March at 6:30 pm. Our new online booking system, FullyBooked, accepts all bookings electronically. We are currently waiting to confirm registration for using FullyBooked for families. More information in regards to setting up an account will be sent early next week. Once information is released, please ensure that your account has been set up prior to making bookings.

We are unable to accept bookings via email or telephone. All vacation care bookings must be made through FullyBooked. A confirmation email will be issued through the system once your booking has been completed. There will be **no official closing date for bookings** under the new system. This means you may book your child into a session up until the day prior, subject to availability. Please note that places are limited, and last-minute bookings cannot be guaranteed.

WAITLISTS

Waiting lists will be available during Vacation care. If your child is on the wait list, you will be informed once a space becomes available. You are not required to take the space and will not be charged if you make additional arrangements.

CHILD CARE SUBSIDY

For CCS reductions please make sure that you are registered for approved childcare with Centrelink (13 61 50) and refresh your details on MYGov if 8 weeks have lapsed. Please ensure that you supply us with the best possible emergency contact number each day of your child's attendance and be familiar with the times and requirements for each day that your child attends.

ACCOUNTS AND CANCELLATIONS

All bookings will be charged to your account weekly. All accounts must be paid prior to your vacation care bookings being accepted. Please see the director if you require further information.

Full day fees will apply to cancellations. To cancel a vacation care booking at no charge the service must be notified a week before the booking. Bookings can be cancelled at no charge with a doctor's certificate.

SIGNING IN AND OUT

An approved person must sign in/out children on arrival and departure using our electronic attendance system. The family assistance office who provides the childcare subsidy requires that all attendances be properly recorded in order to validate Child Care Assessment Claims. It is also a safety requirement that all children be signed in and out of OSHC so staff can accurately account for all children in the event of an emergency.

ARRIVING TO OSHC

Please ensure your child arrives at OSHC prior to the excursion departure time. Times are shown on the program and travel information pages. We can not wait for late arrivals.

WHAT TO BRING

Brain food, recess, lunch (unless stated otherwise), water in a drink bottle and a hat. Excursion days it is encouraged to bring a smaller bag that is easier to carry.

WHAT TO WEAR

Enclosed shoes (sandals/thongs are not accepted), clothing with sleeves (no singlets or shirts with thin straps), and a hat. This is to ensure the safety of your child and minimise risk.

Lunch time will be between 12:00pm-1:00pm. Children are required to bring their brain food, recess, and lunch daily unless specified on the program. The service provides breakfast, afternoon tea and late snack. However we encourage to supply extra snacks. Water is always available. Any specific dietary requirements will be catered for.

If a child does not have lunch they will be supplied with a sandwich and a piece of fruit. If this is provided the cost of \$5 will be added to your account.

ALLERGEN GUIDELINES

We are a nut and egg free service and children are not to bring food products that contain these allergens.

- Daily dietary register is kept on record.
- On excursions, discussions are held with venues regarding food allergens.

VESTS

Children are required to wear hivi vests at all times, provided by OSHC. This is to ensure the safety of your child at all times.

WEATHER

Excursions and incursions can change at any time due to extreme weather. If the temperature is forecasted 36 degrees or over outdoor excursions will be cancelled. Wet weather policy will also be considered and outdoor activities will be cancelled if necessary.
